

Christopher Muench

A: 825 Dovey Ave. Whittier, CA 90601

C: 562.458.3346 • E: cdmuench@gmail.com • S: www.cdmuench.com • T: <http://twitter.com/#!/cdmuench>

Web Developer

Experienced and motivated web Developer with an excellent understanding of design and internet technology; providing a commitment to high-quality team-driven production. Fast and supportive along with the ability to proactively identify and solve problems relating to design and web functionality.

CAREER INTERESTS

I am interested in furthering my experience in Web Development and feather my growing knowledge into software engineer.

A position as a Developer in an environment that allows me to do research and development would be ideal for a person with my skill sets. I am fluent in Windows and Mac platforms.

Specialties

XHTML / CSS, jQuery/Javascript, HTML5, Search Engine Optimization, Window/Mac platforms, XML, Cross-Browser Compatibility, Dreamweaver, Photoshop, Illustrator, Fireworks, intermediate PHP, intermediate ASP.NET
